

**ANKLE DEEP'S
REFERRAL REWARDS PROGRAM**

As a company, Ankle Deep has built its business on word-of-mouth advertising. Referrals from our clients make up a considerable amount of our carpet cleaning business. So as a special way of saying "Thank You" for referring your friends and family to Ankle Deep, we developed our Referral Rewards Program. The great thing about this program is that both you and the person you refer us to will benefit. You see, not only will your friend or family member receive a FREE Carpet Audit, a FREE Bottle of Spotter, and 10% off their first cleaning, we'll also give you a \$10 credit towards your next cleaning! Think about it, if you refer 6 people to Ankle Deep, and they all hire us to clean their carpet, we'll be giving you a credit for \$60 towards your next cleaning! So the more people you refer to us that use our service, the bigger your credit will be; there's no limit.

The rules of this program are simple:

1. Simply print out this page, then cut out the cards below and pass them out to your friends and family. Be sure to put your name and phone number on the card so we can be sure you are properly credited for the referral when the card is redeemed at the time of our service.
2. The person referred to Ankle Deep must hire us to clean their carpet in order to receive the \$10 credit.
3. The person referred to Ankle Deep will receive the FREE Carpet Audit and FREE Bottle of Spotter whether they hire us or not.
4. There is NO limit to the number of credits you can earn on this program. As long as the person you refer to us hires us to clean their carpet, you'll earn the \$10 credit for each referral.
